Leila,

Yes, I'll take that time. My colleague Ron Eritano will also attend. It's possible another person will join, but will let you know well in advance. Please let me know logistics for entering the building, etc. Thank you!

I have added Leila on here to schedule. Not sure if the week of the 26th will work out yet but will work to get this in the book.

Hi Scott,
I'm a former House member currently working with a group called the Coalition for Fair Gaming. My time in the House did not overlap with Sec Zinke, but for a while I thought I might be a fellow Cabinet member. You probably saw the news reports about President Trump interviewing me for the Sec of Ag position, but he picked the right man in the end in Sonny Perdue.

I respectfully request a meeting with Sec Zinke to discuss an Indian gaming issue. Specifically, it's about Class II machines in casinos. I spoke to Jim Cason about this some time ago. About ten years ago the National Indian Gaming Commission passed a regulation to upgrade technology in Class II machines. The reg was then delayed twice in a ten year period, then in December NIGC decided to permanently water down the reg. This allows ancient technology to still be used in hundreds (maybe thousands) of machines. I simply want to review this with Sec Zinke and see if he thinks it's important enough for him to make an inquiry with NIGC. I have a

lot of flexibility the week of February 26. Please let me know.
Thank you for your consideration.
